## The Law and God's Judgment Romans 2:11-29

Matthew 16:26, Romans 8:28, 2 Timothy 1:7, Hebrews 4:16, Hebrews 13:5-6, James 5:1-6.

**Judgment has begun**

Children you are in the flesh, that is why your hearts are filled with fear. I have told you repeatedly that I will never leave you nor forsake you yet you continue to fear. Yes my judgment is here but to the repentant I am merciful. Yes you will see and experience much pain and destruction but this will not last forever. There is a time and a season for every event under heaven; this is the time of judgment. Look around you, you know it in your gut, you see it all around you. Nations are falling one by one, like dominoes they are crushing to the ground, economies are failing, families have been separated, many have lost everything they worked for their entire life. Children judgment is upon the nations and it begins with the smaller nations, not necessarily small in size but small as far as their economy is concerned. It is for this reason that many are still asleep, they do not understand that what has began in countries such as in South America is a part of my judgment and yes it will begin with the countries whose economies are not as prosperous. Look at these nations, their money is heavily devalued people can barely buy a loaf of bread with a fistful of money. Families are suffering great hardship, others have had to abandon entire villages and small towns in search for jobs in the big cities, some are starving and not a few are beginning to die. With destroyed economies comes famine, a lack of food to the extent that men will be forced to scavenge for food like animals. It will get so bad that men will begin to kill each other for a slice of bread. Yes it begins in the so called obscure nations and yes they will suffer much but this judgment is not localized to one area, it will affect the entire world. When the economies of the bigger nations crumble then all will be touched for money and power is concentrated in the hands of a few and the rest are slaves to a system that has been setup to benefit the evil elite. Do not be concerned about them I will repay them for all the evil they have propagated upon the face of the earth. They will indeed prosper in wealth and riches and they will hold positions of great power in the beast system and yes they will prosper in wickedness, but a day comes when I will end them and their place will be found no more upon the surface of the earth. For now they rule as kings laughing at the poor and the weak. They are so greedy they will sell their children's souls to acquire wealth and power. What they do not seem to comprehend is that the son of perdition has only one agenda, to capture the souls of as many people as he can, wealth means nothing to him, he knows what the priceless treasure is, the soul of a man, and he is willing to do anything to get it. As the world continues in complacency, in apathy, the beast system is furiously at work behind the scenes setting all the traps that will capture the souls of men. Yes, judgment comes, yes nations have began to fall, yes a great famine is coming soon and a great war as well, a war that will consume the whole earth. In their greed the elite will cut off their own feet for during war there is no economic gain for anyone except the ones propagating the war. As nations die economies crush and the people of the land suffer. Yes all these things are disturbing but to the one who trusts me completely this is nothing to be afraid of for I am with you, so stop living in fear and begin to trust me completely, obey my instructions and remain steadfast in the faith.

Jesus, Amen.
